# CITIZEN REGISTRATION

The image shows a 'ServicePlus' registration form overlaying a dashboard. The dashboard in the background includes a header with the Government of India logo, 'HOME', 'SELECT STATE', and a 'REGISTER' button. The main content area has a title 'An Easy and Intuitive Application' and a description of the 'Panchayat Enterprise Suite (PES) Mission Mode Project (MMP)'. It lists features like 'Build Software through Dictate, Design & Deploy', 'Intuitive, Intelligent & Interoperable', 'Automated Data Migration', 'Integrated Dynamic Report Generation', and 'Strong Data Analytics'. There are buttons for 'TRACK APPLICATION' and 'KNOW YOUR'. A 'Newly Launched Services' section is at the bottom. The registration form overlay has a title bar 'Register yourself' and a close button 'X'. It contains the following fields: 'Full Name \*' (text input), 'Email Id \*' (text input), 'Mobile No.' (text input), 'Password \*' (password input with a strength indicator), and 'Gender\*' (dropdown menu). A password hint is provided: 'Password should be 8 to 15 characters with at least one special character(\*[@#\$%^&+=]), one numeric, one small case and one upper case letter (i.e Abcd@123)'. The dashboard also shows a 'Total Count' section with 'Services launched' (17) and 'Applications Received' (81511), and a 'Day Activity' section with 'Processed' (0) and 'Rejected' (0).

The screenshot displays the ServicePlus web application interface. At the top, there is a navigation bar with the Government of India logo, a 'HOME' link, a 'SELECT STATE' dropdown, and a 'REGISTER' button. The main header area features the 'ServicePlus' logo and the tagline 'Metadata-based Integrated eService Delivery Framework'. Below this, a large banner reads 'An Easy and Intuitive Application' followed by descriptive text about the Panchayat Enterprise Suite (PES) Mission Mode Project (MMP). A list of features is provided, including software development, intuitive design, automated data migration, dynamic report generation, and strong data analytics. A 'TRACK APPLICATION' button is visible. In the foreground, a 'Register yourself' modal is open, showing a 'Verification!' message. The message states that an OTP with a verification link has been sent to the user's email ID and mobile number, and that the OTP is valid for 15 minutes. It also mentions that the verification link is valid for 48 hours. An 'OK' button is at the bottom right of the modal. In the background, a dashboard is visible with sections for 'Total Count' (Services Launched, Applications Received) and 'Day Activity' (Processed, Rejected).

# APPLICANT PART (SHORTFALL OF APPLICATION)

The screenshot displays a web application interface with a dark blue sidebar menu on the left and a main content area on the right. The sidebar menu includes the following items:

- Menu
- Manage Profile
- Apply for services
- View Status of Application
  - Track application status
  - View Incomplete Application
  - Revalidate Payment
  - Modify Submissions
- Messages & Alerts

The main content area features a header with the text "Language" and "Anik Ghosh", a "Get Data" button, and a "Current Status" section with the text "Waiting for Applicant's Response".

A modal window titled "Status of Application" is centered on the screen. It contains the text "Successfully Submitted" and a dark blue button labeled "Document Submitted Successfully". A double-headed vertical arrow connects the text and the button. A "Close" button is located in the bottom right corner of the modal.
