STATE SERVICE DEFINER (UNREGISTERED TRACKING)

The screenshot shows the ServicePlus web application interface. The top header includes the ServicePlus logo, the text "Metadata-based Integrated eService Delivery Framework", the Government of India emblem, and the user role "Commissioner of Police". A left sidebar contains a "Menu" with options like "Manage Service", "Manage Profile", "Manage Master Data", etc. The main content area displays a configuration page for "Unregistered Applicant Tracking" under the "Application For Mike Permission" service. The configuration includes a breadcrumb trail, a note about application tracking configuration, a "Notification Type" section with radio buttons for "Mobile", "Email Based OTP" (selected), and "Application Form Attributes", an "Email Id" dropdown menu set to "E-Mail", and a "Do you want to display Action Taken date of each task, in tracking details:" section with "Yes" (selected) and "No" radio buttons.
